The council will be holding a Social Care Community Fayre on Tuesday 17 March, 10am–4pm at County Hall, Trowbridge.

The Fayre brings together a wide cross-section of community groups, charities, and local services, offering residents direct access to advice and information on support for children, families, adults and carers. It aligns with World Social Work Day 2026, strengthening our commitment to partnership working and accessible services.

Key themes include:

- Support for children and families: early help, emotional wellbeing, SEND, youth services, safeguarding, fostering and adoption
- Support for adults: independent living, reablement, recovery, mental health services, wellbeing technology, shared lives and community connections
- Opportunities for residents to speak directly with frontline teams and local organisations
- Resources and demonstrations promoting wellbeing, independence and resilience
